## *The Glatwyn Story . . .*

Glatwyn Farms is a family affair. Dad, Mother, Son and Daughter-In-Law are working toward one end—to produce better Polled Shorthorns. We are working on a planned, long-term program. We have set our course toward the building of a breeding herd whose

offspring can be purchased with complete confidence. This confidence of the public measures our success.

The third generation of the Clodfelter family is now raising Shorthorns. Ray's father, Jack, bought his first registered Shorthorns in 1895. Horned cattle were maintained until 1942 when our first polled animal was purchased. He was Lynnwood Challenger x, second top bull in the Lynnwood sale. He sired Glatwyn Sensation x.

Polled Shorthorns—the only produce from our operation—have paid for our physical plant. We consider this proof of our belief that **POLLED SHORTHORNS ARE THE PROFITABLE CATTLE.**

We have made many good friends in this business. Their kindness and generosity have encouraged us to go forward with our program even when the inevitable disappointments of any endeavor occurred. We aim to repay them by producing breed improving Polled Shorthorns that will be profitable to those who purchase them and to the breed.

We believe in the cattle we are selling, sell them with complete confidence and guarantee every animal selling as a separate lot, regardless of age, to be a breeder.

You are always welcome at Glatwyn. We particularly invite you to inspect the sale cattle prior to sale time and be with us on sale day.

Ray and Olma Clodfelter

# *The Richwood Story . . .*

Thomas O. Richardson  
"Tom"  
Richwood Farms

Shorthorn cattle have been in the Richardson family since 1916 when they were made a part of the farming operation by my grandfather, John T. Richardson, and were carried on a commercial basis until in the '30's when my father, Wesley, and my uncle, John L., joined grandfather in making the swing to Polled Shorthorns and began to sell some breeding stock. It was during this period that the very logical registration identification became "John T. Richardson & Sons", which identification is still being used even though grandfather is deceased and his grandson, the author of this history, has come into the picture.

Our herd is located and maintained on two farms, one mile apart. One is owned by my father and one by my uncle. Dad resides on his farm and is actively engaged in the production of the cattle, hogs and grain raised on both farms. I live on the farm owned by my uncle, since he is engaged in another business. I operate both farms as a 300 acre unit. So actually our herd of cattle is made up of two groups of cows, one belonging to my Dad and I and one to my Uncle and I.

My Dad maintained both farms with hired labor through the war years, and after my "Navy life" I became co-owner. We used the prefix "Maplewood" for one herd and "Richwood" for the other. This proved to be a bit confusing, so we are now using the prefix "Richwood" for all the cattle.

Herd bulls used immediately prior to my association with the firm included Maxwalton Monarch x, a son of Maxwalton Full Measure x; Lynnwood Proud Victor x, a son of Collynie's Type 3rd x, and Fancy King, Jr x, a Miller & Son bull by Fancy King x. Since I have been active in the business we have used King of the Vanities 49th x by King of the Vanities x; Lynnwood Destiny x by Lynnwood Leader and the present Lynnwood Mainline x by Lynnwood Beacon x.

We have participated in major shows in the past few years and the results have been highly gratifying.

We operate on a practical basis with a minimum of facilities. We recommend our cattle as ready to go on and do a good job for you under the same conditions and invite you to share with us some of our most recent productions.

Thomas O. Richardson

# *Terms and Conditions of Sale*

**TERMS**—The terms of this sale are cash unless other arrangements are made in advance with Gerald I. Clodfelter, Glatwyn Farms or Thomas O. Richardson, Richwood Farms. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before animals are removed.

**GUARANTEE**—All animals selling as a separate lot in this sale are guaranteed to be breeders regardless of age at time of purchase, except that bulls shall not be allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. Notice of failure of a bull to breed must be given to the owners of the respective farms at the earliest possible date. When a bull or female fails to comply with the guarantee both Glatwyn and Richwood will have the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period of not to exceed 6 months. The expense of freight in such cases is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

**REGISTRATION CERTIFICATES**—Certificates of registry and transfer will be furnished with each animal sold. An application of registry will be furnished for all unborn calves.

**HEALTH**—All animals have been tested for tuberculosis and Bang's disease within 30 days of the date of the sale. All animals in this sale comply with the health laws of the state of Indiana, and Indiana health certificates will be furnished with each lot sold.

**ANNOUNCEMENTS**—All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in the catalog.

**LIABILITY**—The above guarantee and terms shall constitute a contract between Glatwyn Farms and Richwood Farms (sellers) and the buyer of each lot. Neither the Sale Manager, nor the clerk of the sale assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were furnished by the owners. We will not be responsible for any accidents that may occur but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

★**GLATWYN LEADER x2587864.** Although he is deceased, we include Glatwyn Leader x as a reference sire because of the tremendous influence he has had on the Glatwyn Herd. The record of his get at State and National Shows, Congress Shows and Sales, State Sales, and in other herds is well known. Yet, he has probably meant more to us through the daughters he has left at Glatwyn and by siring Glatwyn Leader 26th x, who will carry on the Leaders in our herd. This will be the last sale in which his sons, daughters and service can be available. He was undefeated Junior Calf in 1950. A half interest in him was sold to Lynnwood Farm in 1955.

We feel so definite about the future of the 26th as a stock bull that we have given his extremely heavy service in our herd this year. We have bred a great many sale heifers to him. We have had eight calves by him and are selling the five oldest ones in this sale. Two heifers that were sold carrying his service calved with outstanding polled, red bull calves. ## **The Bred Heifers . . . . .**

We believe that strength of pedigree and consistent production of the right kind of cattle year after year are the qualities that best guarantee future profit and improvement. The females we offer have been especially picked from our own production and from cattle we have purchased because they represent those ideals. We believe in them.

These females are sired by bulls that are working improvement and are famous wherever they are in service. They are bred to the great herd bulls on which we are staking our future.

Most of the bred heifers and the cows are very close to quick profit. We call your attention to the long breeding dates and the number of calves selling. All are sound and all are calfhood vaccinated.

Several of the following fifteen bred heifers were in our show herd. In mating them we followed the same program as we would have had they been kept in our own herd. We will be watching with great interest the development of these heifers.

★**GLATWYN ROYAL RUTH 2d x2927-421.** This Junior Yearling Heifer from our show herd is from a cow that we have repeatedly used as a model type cow, and she did a lot of winning during the three years she was in our show herd. Her first calf was our Junior Heifer at the International and now has calved for us. Royal Ruth 2d x is her second calf. Her third calf is a Junior Heifer in the show herd this year.

This heifer was shown last year as a Junior Heifer Calf and was first at the Illinois and Indiana State Fairs and second at Ohio State Fair and the International. Please note the strength of the bulls, every bull, shown in her pedigree. We think the individuality, production record of the family, and great inheritance just about takes the gamble out of this heifer. We reserve the right to show her through the International. ★**G E DREADNAUGHT MARY x2926-572.** We are proud of the four Glatwyn Elect x heifers in this sale, because we bred their sire, and he was Champion and top of an Indiana Sale and then went on to be a consistently fine sire for Ralph Cross. We have bought most of his daughters that have been sold, and there never has been a poor doing one in the group. This heifer is bred almost identically to the dam of Glatwyn Headline x, Lot 1 in this sale. She will pass the critical judge's test. Bred on February 8, 1958 to Glatwyn Leader 26th x.

★**VICTORIA CORONITA 10th x2929-573.** Another Victoria heifer by "Mr. 18" that looks like a brood cow. We feel that her pedigree is well known and so full of famous Thieman sires that we need not repeat the accomplishments of any few of them here. She is the first heifer that we bred for the sale. She will be heavy in calf to the service of Broadway Hallmark x since January 23, 1958, making her calf sired by an International Grand Champion and out of a sister to several champions.

## **The Open Heifers . . . . .**

The following ten open heifers include some of our best show individuals who undoubtedly will be the dams of herd bulls and show string members for their new owners.

All are by well known sires and out of great brood matrons that will be available for your inspection on sale day.

We offer this group especially for those who want show heifers and those who want good heifers from great cow families to mate with their own bulls in the very near future.

All are calfhood vaccinated.

★GLATWYN LADY GLOSTER x2963-853. She is sired by the 1956 International Reserve Grand Champion Bull and out of a cow sired by a half brother to the 1957 International Grand Champion Bull. We bought her dam carrying this calf from Leemon Stock Farms where she was one of the higher selling females in their last January sale. Her dam is in our breeding herd. A lot of potent championship breeding is wrapped up in this heifer. Study the pedigree. Sells open.

These three reds won six Firsts, a Championship, and a Reserve Championship at Alexandria. Their group winnings included Pair-of-Females, Pair-of-Yearlings, and Get-of-Sire. This was the third year in a row that the Glatwyn Leaders x have won the Get Award of the National Polled Congress. Jess Peebles, Roy Rutledge and George Nickel are at the halters with Jerry Clodfelter at the right.

## *The Cows . . . . .*

Each individual in the following group of twelve cows is from the Glatwyn Farms Breeding Herd. Each has a calf at foot by or will be very close to calving at sale time to the service of Glatwyn Leader x, Broadway Hallmark x or Glatwyn Leader 26th x.

The future of Glatwyn Farms is synonymous with the future of these excellent cows. You will readily recognize that they are **not** being culled from the herd but are offered to make our first sale a well rounded one and in order to have something to please every prospective buyer.

Each cow is sound in every respect and each was officially calfhooed vaccinated for Bang's at the proper age. The Glatwyn Herd is accredited for Bang's, so these cows can be moved anywhere without delay.

Master started his winning way while yet quite young by becoming Grand Champion Bull of the 1957 Illinois State Fair when only ten months old. He went on to be Reserve Champion at Ohio, Indiana, and the Pennsylvania National. He was a member of our undefeated Junior Get-of-Sire in 1957 and was always used in our Senior Get-of-sire which won at three out of five major shows. We have Master's first calf, a very pleasing heifer which is most encouraging about his ability as a sire. Master has a full sister which will be a strong contender in 1958 shows as a senior calf. Two heifers in this sale sell bred to Master.

★**RICHWOOD RENOWN x2918-689.** This son of Lynnwood Mainline x out of a Lynnwood Destiny x daughter was first prize senior calf at the 1957 International, Reserve Junior Champion at the Pennsylvania National, a member of our undefeated Junior Get-of-Sire at five major shows and a member of our winning Senior Get-of-Sire at three of the five shows.

Renown x was sold in January to A. Watt Taylor for his Philorth herd in Scotland for the top price of the year to date auction of \$4200. He arrived in Scotland June 30th. Before Renown x left for Scotland Mr. Taylor gave us permission to use him on a few heifers, one of which we are offering for your appraisal in this sale.

We have a full brother to Renown x which we feel is very worthy of being named Renown 2nd x, and he will be assuming herd bull duties here at Richwood.

## Foreword For The 7 Mainline Sons . . . . .

We are exceptionally proud to offer this group of seven Lynnwood Mainline x sons, all calved at Richwood Farm between March 30, 1957 and January 4, 1958. We are confident of the ability of each of them to carry on the Mainline influence equally as well as other sons of his have.

Two of these bulls, Richwood Radium x and Richwood Romeo x, are three-quarter brothers to Richwood Renown x, the bull that was first prize Senior Calf at the 1957 International and was sold by us in our January 11th sale at \$4200 for export to the Philorth herd of A. Watt Taylor in Scotland.

Two of the bulls, Richwood Recorder x and Richwood Rotarian x, are three-quarter brothers to Maplewood Master x, the 1957 Illinois Grand Champion Bull, and the bull we retained for service.

All of the bulls are half brothers to our winning Senior and Junior Gets at the 1957 International. These seven bulls were weighed July 10th, and the average daily gain on the entire group was 2.35 pounds after allowing 70 pounds as their birth weight.

Each individual is sound and correct on his legs, and all have particularly desirable heads.

**Maplewood Mainline x**

Maplewood Mainline x, son of Lynnwood Mainline x, now heads the herd of Charles Reimer, Happy Landings Farm, Springfield, Illinois.

## **Foreword For Nine Bred Heifers . . . . .**

Our supply of heifers of breeding age had to be supplemented in order to fulfill our commitments for this sale. We selected useful, good headed heifers from very reputable, reliable sources. They are the kind we felt would do well for us, and we would probably be smarter to keep the entire group and let them calve for us from Mainline, Master and Renown. We are confident that they will do well for their new owners and that the service they are carrying could well be worth more than the first cost of the heifers. This group of heifers is the "investment" type.

★**BEAUTY CORONITA 9th x2929-559.** A double bred T P S Max Coronet 5th x heifer sired by the bull sold by the Thiemans to the Bapton herd in Scotland. T P S Max Coronet 5th x was the \$20,000 International Grand Champion Bull in service at Avenel Farms, Bethesda, Maryland, and T P S Coronet Commander x was the sire of the Reserve Junior Champion Bull at the 1957 Illinois State Fair. We felt Beauty Coronita 9th x was a very worthy heifer, and we chose her to be mated to Richwood Renown x (Reference Sire 'C') before he left for Scotland. She was mated February 2nd and is due to calve November 9th, calfhood vaccinated.
